

Produkty dla przemysłu plastikowego...

Podczerwone kwarcowe moduły fal srednich IR-B

cechy produktu

- Fast Response
- Rapid heat-up
- Rapid cool down
- Ideal for fast cycling machines
- Highly reflective aluminised internal surface
- High radiant efficiency
- Low conventional losses
- Five Standard sizes
- Large choice of power ratings available
- Volts: Heaters can be manufactured to suit most supply voltages

Product	Wattage				
HSQ	150	200	250	300	375
